

Ancient Greek city-states

Read the information on the page and follow the links in the map for all six of the city-states. Choose two of the city-states and compare them – what is the same, what is different?

Greek war

A lot of the time, the Ancient Greeks were at war!
Use items from your recycling to make:

- A chariot
- A shield
- A helmet
- A catapult

Or something of your choice.

Greek gods

Use the PowerPoint and cards template attached to learn about the Gods and create a game.

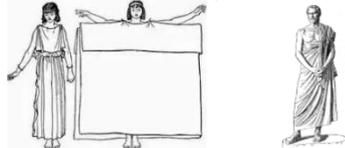

Ancient Greek clothing

The Ancient Greeks wore a Chiton (pronounced with a with a hard ch (k) and a long i (eye): Ki-ton!)

There were lots of different styles. Use a table cloth or bed sheet and safety pins or bulldog clips to create your own. Use the instructions provided or look up a new style online.

Take a picture of you in your Greek get-up!

Ancient Greek culture

The Ancient Greeks are very well-known for their pottery. Use the link and PowerPoint to find out about what they were used for and how they were decorated. Use what you find out to design your own pot. You could use one of the

templates provided, draw your own, make and paint your own from clay or Papier Mache or decorate a terracotta pot from the garden.

Greek mythical creatures

Spend some time finding out about Greek mythical creatures. Many are part of the myths you may listen to (below).

Imagine you had one as a pet. Write a 'How to look after a...' set of instructions. They can be funny!

<https://greekgodsandgoddesses.net/creatures/>

Greek food

Research a Greek diet (ancient or modern). Taste test some Greek foods or make a Greek meal for your family.

Greek foods and meals include: olives, olive oil, pitta bread, pearl barley, feta cheese, tsatziki, Moussaka, Greek salad

Ancient Olympics

Yes! The Olympics actually started nearly 3000 years ago! Although there are a lot of differences compared to the modern Olympics, there are still some similarities! Use this page – as well as the additional websites recommended below – to create an information page or presentation.

<https://www.bbc.co.uk/bitesize/topics/z87tn39/articles/z36j7ty>

Greek myths

Listen to a (or two, or three!) Greek myth and then create a cartoon strip of it.
