## Cup Awards

### "Best attitude and commitment when returning back to school"

- Reception Class: The Cup in Reception is going to Ellis for returning to school with a 'can do' attitude. He gives 100% into all he does and this is evident in the fantastic progress he has made in reading and maths.
- Year 1: The Cup in Year 1 goes to Chase for coming back to school and really settling back into routine. Chase puts an amazing effort into his work. Chase has a very mature attitude and is becoming very independent. He clearly enjoys his time at school. Well done Chase, Mrs Gardner is proud of you.
- Year 2: Ella for making progress in both English and maths and for always being focussed on her work and for being a lovely role model in the class. Well done Ella, Mrs Welch is very proud of you.
- Year 3: This term's celebratory cup goes to Abbigail. Abbigail has come back into school with a very positive learning attitude. She has shown a high level of commitment towards all her learning. This was also evident during home learning too where she fully engaged with all the learning set. This term in school she has been working incredibly hard on her spellings and has made huge progress. This in turn has led to her producing some great pieces of writing. She has shown a strong enthusiasm and willingness to learn in all our topic lessons too, especially Art this week where she designed and created a piece of Art work in the style of Roy Lichtenstein. Great work Abbigail! Please keep it up for the rest of the year! Mrs Campbell is very proud!
- Year 4: Finley for coming into school after lockdown with a super positive attitude! He has made progress in Arithmetic and Reading Comprehension as well as his handwriting. He has also made lots of progress on his Nessy Screening, so much so that he has been signed off it! He has come back more mature and independent. He has a great sense of humour but can also be relied upon to be a good role model. Lastly, he is a very friendly member of the class and has shown he can be really kind.
- Year 5: Congratulations to Caitlin! Not only was Caitlin a fantastic home learner in the first 2 weeks of this term, but she has maintained this positive approach to her learning whilst back in school. She has worked hard across of subjects, but in particular, her efforts have been noticed in Maths and English, where she has tried hard to include new learning. What's more, when Caitlin has found something tricky, or got something wrong, she has maintained a positive – and often, humorous - attitude! Well done for returning to school so brilliantly!
- Year 6: Sophie for settling back brilliantly after lockdown and achieving the top score in our foundation subject Cahoot quiz. Her attitude and work ethic has been amazing and we are very proud of her. Keep up the great work Sophie!

### Sun Cream

As the days after the Easter holidays get (hopefully) warmer. Please supply your child with sun cream to apply to themselves at school. Please make sure it has your child's name on it.

We also recommend peaked caps to wear outside during the warm weather.

Your child should also ensure they have a drinks bottle with water at school every day.

### What's Cooking?

This week, Oliver has enjoyed roast gammon! The gammon was served with roasted potatoes, carrots, cabbage and gravy. Oliver also had a sprinkling of side salad.

The dessert today was apple cake, ice cream or fresh fruit salad. Oliver chose ice cream with a side of fruit.

Roast gammon is available every 3<sup>rd</sup> week with the alternative this day being Quorn roast. Jacket potatoes and school packed lunches are also available.

We hope you enjoyed your lunch Oliver!
