Cup Awards "For Exemplifying the School Rules"

- Reception:** The cup award this term is going to Bailey for always following the school rules. Bailey never forgets to use his beautiful manners. He follows instructions carefully so that he knows exactly what to do when carrying out a task independently. Bailey is very caring to his friends and also in his classroom environment where he ensures our toys are organised and tidy. Bailey is a real role model to his peers and is always a helpful, happy and supportive hand to his friends in class.
- Year 1:** After much discussion in year 1 we have decided to award the cup to Megan. Megan always shows good manner to her peers and her teachers, she is always polite and kind and has many good friendships in the class. She is a very caring little girl and very much deserves the cup for following the school rules.
- Year 2:** Year 2's class cup goes to Paige.
Paige is a great role model in our class. She is gentle and kind. Because of this, she has a great many friends. Paige is always ready to lend a hand when someone hurts themselves and is keen to make them feel better. She is diligent in her work, getting on with thought and determination. Paige exemplifies all our school rules and is a pleasure to have as a member of our class.
- Year 3:** This term's cup goes to Senna-Rose. This cup is very well deserved. Senna-Rose exemplifies all the school rules on a daily basis. She shows good manners at all times and is polite whether she is speaking to her friends, other children in the school or adults. She is very kind and helpful to other children when working in a group. She has an admirable attitude to her learning and follows instructions with thought and care constantly. Any task that she is set, she approaches it with a mature and focussed mindset. She strives to achieve in everything she does so that she can reach her full potential. She does all of this with a smile on her face and a sunny disposition. She is a pleasure to have in the classroom and is a role model not only for Year 3 but for all the other children in the school. Well done Senna-Rose! You should be very proud of yourself.
- Year 4:** Emilia is this half term's cup winner! She is a fantastic role model in our school! She follows all the school rules. She cares for everyone and everything and is very thoughtful to her peers as well as the adults in the room. Her manners are super and she is always very polite. In terms of following instructions with thought and care, Emilia is also great at this! She can complete work independently due to her excellent listening skills! Well done Emilia, you deserve this cup!
- Year 5:** Congratulations to Harry! Harry is a marvellous member of a Year 5. The adults of the class always see Harry showing good manners at all times - remembering his Ps and Qs, and putting up his hand. He always follows instructions. Most obviously within class, however, is Harry's ability to shows care for everyone and everything. When necessary, he supports those around him with their work, helps friends complete tasks and gives quiet reminders to ensure his peers are on task. Good work Harry!
- Year 6:** It has been a great half term in Year Six! All the children have been working incredibly hard and have managed to produce some great work in all areas, across the curriculum.
We are looking forward to next term, which promises to a busy and exciting one, with lots of activities planned.
The person we have chosen for the cup is Meave.
Meave's behaviour is always exemplary, as are her manners. Meave always works hard; she listens incredibly well and tries to implement what she has been taught into her work. Meave is a super friend and is always kind and caring. Within PE she works brilliantly in a team, offering advice and encouragement to other members of the class. Meave is an excellent role model for Roche Primary School and is an absolute delight to have within Year 6. Well done Meave.

Kernow King is Pasty Man!

Year 1 had a visit from Kernow King, ex pupil Ed Rowe and Jenny Beare from the Kneehigh Theatre.

Pasty maid and Pasty man showed Year 1 how to make a pasty and then helped Bea make a pasty for the whole class! It was great fun and we even got to taste the pasty after Mrs Whitford cooked it for us!

Thank you to Ed and Jenny for entertaining the children. This visit was part of the Kneehigh Theatre's Acts of Art project.

Year 3 Roman Day

Year 3 have ended their Roman topic by coming into school dressed as Roman's!

There clearly has been an incredible effort with homemade shields and costumes. Thank you to parents and carers for your support with the children's outfits and weaponry for today's lessons!

The children have been involved in battle formations and learning all about the Roman Empire!

Well done Year 3!

Year 5 Chicks

Year 5 have had some exciting news! They have had chicken eggs in an incubator in the classroom and they have hatched!

This little one wanted to see what was going on in the classroom around him/her!

Thank you to Laura Hopper for the eggs. The chicks will go back to their farm today.
