## Special Mentions

- Reception:** This week in Reception we have been learning all about mass and using scales to work out how heavy or light something is! We have been weighing different animals, Numicon pieces and potions in the mud kitchen. We even made our own see-saw outside using the planks of wood to test out heavier and lighter, Harrison was great at this. Mia Co was also great at weighing her dinosaurs and putting them in order from lightest to heaviest.
- We have also learnt how to retell our story of the week 'Rainbow Fish' and have created our own story map with actions to help us! Darcie and George deserve a special mention for their fantastic expression when retelling the story. Also, a special mention to Eva this week for her determined attitude in all of her learning. Well done on a great week Reception.
- Year 1:** Year 1 have continued their learning about different types of animals. We learnt about amphibians this week and wrote a non-chronological report about them. We also learnt how animals are different eaters, if they eat plants they are called herbivore, if they eat meat they are called carnivores and if they both meat and plants they are called omnivores. We have started fractions in maths, learning about half of a shape. We also started our history learning, finding out about monarchs and who our Queen is.
- My special mentions go to Lola for fantastic phonics this week and using her phonics knowledge in her writing to write a non-chronological report about an amphibian. My next special mention goes to Mylor for using amazing language in his report, including herbivore, carnivore and metamorphosis. Amazing vocabulary! Well done Lola and Mylor.
- Year 2:** Another busy week in Year 2 with learning about time and shape in maths. In English we have been writing instructions on how to wash your hands. This week's special mentions go to: Mark, Liam, McKenna, Vassili and Lexi-Rose for working really hard on their phonics. Also to Bella and Kloe for really persevering with telling the time to the nearest 15 minutes. Well done to you all.
- Year 3:** This week in PSHE we were looking at the amount of time we spend on our devices and how we can get the right balance between screen time and other activities. All the children impressed me not only with their opinions on the subject but the reasons behind those opinions too. Special mentions go to Cory and Sophia this week. Cory has really impressed me with his learning attitude. We had a few changes to our normal timetable and Cory did not let this interfere with his learning. He has remained focussed all week and given 100% in all lessons. Keep it up Cory! I have also been impressed with Sophia this week who has been working well in Maths and challenging herself. She grasped the concept of knowing the difference between a unit fraction and non-unit fraction and finding a unit and non-unit fraction of an amount. Well done Sophia! Mrs Campbell is proud of you both.
- Year 4:** Year 4 have been busy this week finishing off our Geography work from our Source to Sea trip. We have also started our Art project which should result in a spectacular rainforest display! The children have been working hard and the weeks are flying by! This week our 'Special Mentions' go to Amber and Ava. Amber has worked really hard across the curriculum particularly with her writing. She has responded well to Writing Conferencing with Mrs Lewis. She is also very responsible and enjoys supporting adults and children in class. Ava has been working hard in Maths and she enjoys this subject. Ava's confidence has also started to develop. Keep up the good work girls!
- Year 5:** Year 5 enjoyed a day at the beach on Thursday. We learnt beach and water safety, as well as some surfing skills! It was a fabulous opportunity for me to see the children in a different environment, Unfortunately, the fog rolled in after lunch and the lifeguards red-flagged the beach meaning we were unable to go back into the water. Whilst disappointed, the children didn't get upset and thoroughly enjoyed doing beach games with the surf instructors and playing in the rock pools. The whole class were a huge credit to the school and the lead instructor commented on how brilliant they were at everything - listening, laughing at themselves, giving it a go and having fun. For this reason, it just has to be a whole class award!
- Year 6:** What a brilliant couple of weeks It's been in Year 6. Firstly, we all had an amazing time out on the sea trying all sorts of activities such as mega sup, canoeing, kayaking and coasteering. Everyone had a brilliant time and it was such a wonderful day. This week, the Year 6s have dazzled us with the motivation and determination they have shown in their SATs. Despite the unsettled year we'd had, everyone was keen to do their best and, for that reason, the whole class get a special mention this week!

### Golden Tickets

<b>Reception Class:</b>	Leo for fantastic phonics.
<b>Year 1:</b>	Tommy for lovely writing in Read Write Inc.
<b>Year 2:</b>	Vassili for super Times Table Rock Star results.
<b>Year 3:</b>	Ellie for 100% on an AR quiz.
<b>Year 4:</b>	Emilia and Millie for achieving a row of stickers on Miss Tonkin's reward chart.
<b>Year 5:</b>	Riley S for working hard in English by using commas in a list.
<b>Year 6:</b>	Out on a trip

### A BIG THANK YOU!

Thank you so much to The Eden Project who donated over 200 sunflower seedlings to us at Roche School as part of their 'Communities' project.

Each child has been given a sunflower to take to plant at home.

If you would like to take a photograph of your developing sunflower and send it in to us at [reception@roche.cornwall.sch.uk](mailto:reception@roche.cornwall.sch.uk), we would love to see how they have grown!

There were a few spare so they have been planted around the school.

The children at Breakfast Club made this wonderful thank you poster to be given to The Eden Project.

### Awards

Well done to Zak who was Man of the Match at his last football match with his team Foxhole Stars Juniors!

If your child has achieved something outside of school, please do email a photo with a brief description to [reception@roche.cornwall.sch.uk](mailto:reception@roche.cornwall.sch.uk) for it to be featured on the school newsletter!

### Sun Screen/Ice Block

Please make sure your child has sun screen with them on hot days to apply to themselves.

Please make sure the sun screen is clearly labelled with your child's name.

If your child brings a lunch box to school, please make sure to add an ice block to keep the lunch cool.

Thank you!

### School Trips

Wednesday 30<sup>th</sup> June: Year 6 to Lyme Regis to support the topic 'Evolution'. The letter has been sent out via Parent Pay. Please complete the consent form on Parent Pay no later than Monday 28<sup>th</sup> June.

Wednesday 30<sup>th</sup> June: Year 1 to Newquay Zoo! The letter has been sent out via Parent Pay. Please complete the consent form on Parent Pay no later than Monday 28<sup>th</sup> June.

Tuesday 20<sup>th</sup> July: Reception Class to Newquay Aquarium and Town Beach to support the topic 'At the seaside'. Information regarding this trip has been sent out on Parent Pay. Please complete the consent form on Parent Pay no later than Friday 16<sup>th</sup> July.

### Parent's Evening

A reminder that the Parent's Evening bookings are live. Information regarding this has been sent out via Parent Pay and was on last week's newsletter.

## Data Collection

All data collection sheets should now have been returned to your child's classroom.

Year 6 certainly enjoyed their trip last Friday!

Well done to you all for having a go at the activities.

What a fun day!
