Christmas Dinner/New Menu

Your child's Christmas dinner should have been ordered by now. If you have not ordered a Christmas dinner on Wednesday 15th December, please supply your child with a packed lunch from home.

The Spring menu is now live on Parent Pay and can be ordered from for the new term. Please make a note that meals should be ordered on a Sunday by midnight even if we come back to school later than a Monday.

Paper copies of the new menu are available on request.

Christmas Cinema Trip

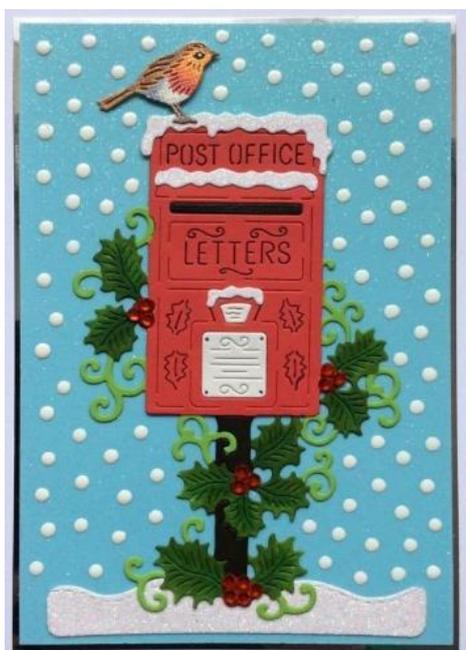

On Thursday 16th December, we are taking the whole school to the cinema to see a specially selected film.

Points to note:

- We will be leaving at 9am **SHARP**. Your child must be at school for 8.40am for registration. If your child arrives later than this, you will have to take your child home as there will be **no staff** in school this day.
- If your child is going to be away this day, please telephone the office by 8.30am at the latest or email reception@roche.cornwall.sch.uk by 8.30am.
- The trip is completely free and no consent is required.
- We will be back in time for lunch so please order your child's lunch as normal.
- To build excitement, we keep the film as a surprise for the children. A member of staff has seen the film to guarantee the suitability for the children.

This annual trip is always a great success and enjoyed by all of the children and staff.

Christmas Cards

Each classroom has a post box if your child would like to write Christmas cards to the other children in their class.

Here's a maths puzzle for you:

If there are 7 classes and each class has 30 children and they send 29 cards each (because you wouldn't send yourself one!), how many cards would be given in total?

Send your answer to reception@roche.cornwall.sch.uk (all the pupils with the right answer will get a shout out on next week's newsletter!)

Answer next week!

Lateral Flow Tests

Dear Parents and Carers

Can I please ask that you continue to carry out lateral flow tests on your children in the run up to the end of term. We have a couple of children and two staff members away from school now with confirmed cases. We must try to contain any outbreak as we did successfully with Year 5 before half term. We can only do this with your help.

Best wishes

Jeremy

Lateral Flow Tests are available from <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests> Please note that the tests are free and you will not have to pay for them.

Chatting, being kind and making friends online

Primary-age children may not have previously had much experience with video chatting apps such as zoom, FaceTime and Skype, but may well be using them now for education or to keep in touch with family and friends. To make sure your child has a positive experience video chatting online, read this [guide for parents and carers](#)

The internet has many positive opportunities for children to learn and play, but it can also be used in negative and unkind ways.

It's really important to speak to your child about being kind online, and how they can get help if they see or hear anything that makes them feel worried, scared or sad. Use these [conversation starters](#) to help your child understand the importance of being kind online.

The term 'online friend' can be used to describe people you only know through the internet, or those that you also know offline. Some children make friends online by meeting new people through online platforms such as gaming sites.

To help children have positive online friendships, read this [handy guide](#).

NB: Correction from last week's newsletter. Fortnite is a rating of 12+

Bodmin Wildcats

Thank you to Holly Burningham for sending this in.

Kezia, Rosie, Paige and Poppy played their first 5 a side tournament for their team, Bodmin Wildcats! It's an all-girls team based in Bodmin. They played 3 matches, showed true team spirit and played amazingly. It was all about the experience of taking part and they should be very proud of themselves.

Well done Wildcats! If you would like more information about this team, please email bodminwildcats@hotmail.com or telephone 07943 815920.

Year 3

Last Friday, Year 3 had a fantastic trip to Wheal Martyn. The children learnt about the history of mining clay by having a guided tour of the site in the morning. In the afternoon, they took part in a workshop where they did various activities to learn about different types of rock and their properties and the rock cycle. All children represented Roche so well by being on their best behaviour and showing good manners. Well done Year 3!

 Cornwall
Christmas Box

As part of the 'Give' part of the Five Ways to Well-being, Year 5, and their families, worked together to donate food items in order to create a Christmas Dinner Box for the charity Cornwall Christmas Box.

Thank you so much for your support - well done Year

5!
