Headteacher Awards awarded on 13th May 2022

- Reception:** The Reception Head Teacher awards this week are going to:
Seth and Delilah for being so caring this week and helping take the bird we found in our EYFS garden to the vets.
- Year 1:** The Headteacher awards this week went to Stella for fantastic effort in writing using her phonics sounds to spell and SPAG knowledge to create sentences and Samuel for working hard at editing his writing with Mrs Gardner.
- Year 2:** Last week Leyton was awarded a Headteacher's award for super work in reading comprehension. Ashton gained an award for amazing work in writing and using joined up handwriting and Mylor achieved an award for being a super friend, caring for others and being patient.
- Year 3:** Last week's Headteacher award went to Mark. Mark had an amazing week in English. We have been writing a non-chronological report on the Roman Army. Mark sometimes finds writing tricky but he worked really hard and persevered with his writing independently. He has also been progressing through the levels on Numbots independently and when stuck on a tricky level, again, he persevered. Well done Mark, great self-regulating behaviour.
- The award also went to the WHOLE CLASS for their outstanding behaviour on our trip to Truro Museum. The children participated in a Roman workshop where they held and looked at real artefacts. They handled the delicate artefacts with lots of care. They were able to answer questions related to their previous learning about Stone Age and Rocks. The lady in charge of the workshop declared "what a class!" as she was so impressed with their knowledge, listening skills and behaviour. Again, Year 3, Mrs Campbell, Miss Mansfield and Miss Thomas are extremely proud of you all!
- Year 4:** Sophia - She got a special mention from our Cornish Pirates rugby coach this week for the most improved progress. Well done Sophia! Keep up the super skills progression.
Lola - For improving her confidence in Maths this week. We know you can do the work but it was great to see you being confident when completing your work. Keep up the good work Lola.
- Year 5:** Dylan - for not only creating a brilliant piece of artwork, but also for listening and therefore understanding the concept too.
Kira - for a brilliant week in maths, which culminated in well-laid out workings making her problem solving much easier to follow. Well done!
- Year 6:** A whole class award this week. Year 6 have been amazing this week and taken the pressure of SATs in their stride. We also had a wonderful day at Goss Moor on Friday. As always, the class did us proud.

Change of email addresses

Truro and Penwith Academy Trust have aligned email addresses within the academy so therefore if you need to contact the school, you will need these email addresses:

Mr Walden: head@roche.tpacademytrust.org

Mrs George: roche@tpacademytrust.org

Mrs Batten: reception@roche.tpacademytrust.org

Mrs Carlin: hcarlin@roche.tpacademytrust.org

Please start using the above email addresses now. Any emails to the old addresses will be forwarded for a few weeks, but will stop.

During testing of the new emails, unfortunately they have gone into 'Junk' folders. Please add the emails into your contacts under 'trusted senders' so emails reach you.

Thank you for your patience during the transition.

Year 6 Lighthouse DT Project

Year 6's DT challenge was to design and make a model of an automated lighthouse. The class rose to the challenge and the end products were fantastic with everyone meeting the design brief! The models were judged by Lawrence, the lighthouse attendant at The Lizard Lighthouse. The decision was tough but after speaking with his colleagues, they decided that Jacob and Harry's model lighthouse was the winner! Here they are with their model and with their prize of an ornamental lighthouse they can keep forever Well done to Harry and Jacob and to all of Year 6 for a brilliant DT project.

Lost Property

Next Thursday (26th May) all lost un-named property will be taken into the playground for parents/carers to look through and take.

Thank you to Caitlin and Esme who went through all of the jumpers etc looking for names and returning the labelled ones to their rightful owners.

We cannot stress enough – please put your child’s name in their clothing.

Well done to Seth and Delilah for taking the poorly bird we found at school to the vets with Miss Searle! Fingers crossed for a speedy recovery thanks to your quick work.

School Trips

Increasingly, consent forms for trips are not being completed before the due date which is usually 2-3 days before the trip. Please endeavour to complete your child's consent forms on Parent Pay by the allotted date (this is always on the cover letter).

We need to get paperwork together for the trip and school packed lunches (if applicable) for the trip need to be ordered and made. Unfortunately, we have had occasions where we have had to withdraw the school packed lunch offer due to the kitchen not knowing who needs one until too late in the day.

Please note that if forms have not been completed and we can't get hold of you, your child will not be able to go on their trip.

Thank you for your co-operation.
