Headteacher Awards awarded on 10th June 2022

- Reception:** Travis for his fantastic creation of Buckingham Palace in the construction area this week and taking a real interest in our learning about the Queen.
Koa for his ability to retain and recall facts about the Queen and our prior learning.
Poppy-Mai for being a kind friend and always trying her best.
- Year 1:** This week's Headteacher Award went to Arthur for fantastic maths with measuring weight. Well done!
- Year 2:** The Headteacher's Awards went to Tommy for his perseverance in his maths intervention and Lola for super writing of a recount about the Queen's Jubilee picnic.
- Year 3:** Last week's Headteacher awards went to 3 children who all displayed the same learning behaviour and promoted some of the 5 Ways to Wellbeing. First of all, well done to Georgia and Poppy who, in English, worked well as a pair, self-assessing and critiquing each other's writing. They were both courteous and polite using kind words when talking about each other's work. They had both worked hard on their writing all week and were keen to share it. In addition, well done to Mark who when critiquing a friend's writing, noticed that she did not have one of the objectives set in her writing (a question) and came up with a good question for her to use. Again, he did this in a very polite, mature manner. Well done to all 3 children. They CONNECTed with each other and TOOK NOTICE of how each other were feeling about their work and GAVE their time to help each other.
- Year 4:** The Headteacher's Awards went to Logan for his excellent time work in maths with Mr Moore and Max A for his excellent maths and impressing Mr Walden with his work.
- Year 5:** Year 5 were so busy on this Friday with their Super Learning Day, they ran out of time for Headteacher Awards! There will be double given out today!
- Year 6:** Headteacher Award's this week were awarded to:
Lola for having a brilliant time at the netball match on Tuesday.
Brooke W for responding well to writing conferencing and applying what she had worked on in her independent work.
Jacob G for joining in with PE really well this week. He always listens to instructions well and tries his best.
